Some of our web pages use cookies. Cookies do not harm your computer and do not contain any viruses. Cookies help make our website more user-friendly, efficient, and secure. Cookies are small text files that are stored on your computer and saved by your browser.

Most of the cookies we use are so-called “session cookies.” They are automatically deleted after your visit. Other cookies remain in your device’s memory until you delete them. These cookies make it possible to recognize your browser when you next visit the site.

You can configure your browser to inform you about the use of cookies so that you can decide on a case-by-case basis whether to accept or reject a cookie. Alternatively, your browser can be configured to automatically accept cookies under certain conditions or to always reject them, or to automatically delete cookies when closing your browser. Disabling cookies may limit the functionality of this website.

Cookies which are necessary to allow electronic communications or to provide certain functions you wish to use (such as the shopping cart) are stored pursuant to Art. 6 paragraph 1, letter f of DSGVO. The website operator has a legitimate interest in the storage of cookies to ensure an optimized service provided free of technical errors. If other cookies (such as those used to analyze your surfing behavior) are also stored, they will be treated separately in this privacy policy.

- Referrer URL
- Host name of the accessing computer
- Time of the server request

5. Social media

Facebook plugins (Like & Share buttons)

Our website includes plugins for the social network Facebook, Facebook Inc., 1 Hacker Way, Menlo Park, California 94025, USA. The Facebook plugins can be recognized by the Facebook logo or the Like button on our site. For an overview of Facebook plugins, see <https://developers.facebook.com/docs/plugins/>.

This enables Facebook to receive information that you have visited our site from your IP address. If you click on the Facebook “Like button” while you are logged into your Facebook account, you can link the content of our site to your Facebook profile. This allows Facebook to associate visits to our site with your user account. For more information, please see Facebook’s privacy policy at <https://de-de.facebook.com/policy.php>.

The information generated by the cookie about your use of this website is usually transmitted to a Google server in the USA and stored there.

Google Analytics cookies are stored based on Art. 6 (1) (f) DSGVO. The website operator has a legitimate interest in analyzing user behavior to optimize both its website and its advertising.

Only in exceptional cases is the full IP address sent to a Google server in the US and shortened there. Google will use this information on behalf of the operator of this website to evaluate your use of the website, to compile reports on website activity, and to provide other services regarding website activity and Internet usage for the website operator. The IP address transmitted by your browser as part of Google Analytics will not be merged with any other data held by Google.

This website uses CleverReach to send newsletters. The supplier is CleverReach GmbH & Co. KG, Mühlenstr. 43, 26180 Rastede. CleverReach is a service which organizes and analyzes the distribution of newsletters. The data you provide (e.g. your email address) to subscribe to our newsletter will be stored on CleverReach servers in Germany.

Sending our newsletters with CleverReach enables us to analyze the behavior of newsletter recipients. Among other things, we can find out how many recipients have opened the email containing the newsletter and how often various links contained therein are clicked. With the help of conversion tracking, we can also analyze whether a predefined action (such as the purchase of a product on our website) takes place after clicking on the link in the newsletter. For more information on how data is analyzed by CleverReach, please visit <https://www.cleverreach.com/de/funktionen/reporting-und-tracking/>.
